

An Amtgard Gallery

Greetings

This magazine is a representation of art work throughout Amsgard. My apologies to artists whom I may have left out. For this I offer two explanations: first is the access to the art itself, and second, the amount of known art was great. Unfortunately, I couldn't use all the art I had due to consideration of the magazines overall length. For this reason I chose the strongest (in my opinion) art I could find, with the consideration of including as many artists as possible.

Enjoy,

M'beth, editor
