Letter from the Seneschal

Greetings, all! It's been a very hectic reign, and I'm very very glad to say that there has been a good influx of new members. With this new membership, there has been more record keeping duties, but I am happy to report that it has been squared away and taken care of.

Throughout this publication, you will see lots of paperwork pertaining to records and dues. If you see mistakes, please make sure to talk to me about them. I can only do my job if I have all the information I need to start with. There are lots of holes in the information I have presented. There are probably even outright mistakes. This having been said, please do not feel any kind of trepidation about speaking to me. I am only the head bean counter, not the I.R.S.

I would like to remind everyone to pay dues, keep up with records, brush your teeth, say your prayers, and all that good stuff, so that you can keep your mind on the other more important aspects of Amtgard: having fun.

Don Diego Velazquez
