Letter from Seneschal

Finally, I have finished my reign as seneschal, and in doing so, have ended a political stretch going back over a year. I am proud of the accomplishments I have completed, and look forward to seeing the changes to come from our new officers. I hope that they enjoy the support and encouragement that I have from the populace.

I am very glad to report that the records are more or less up to date, that the baronial coffers are better than healthy, and dues from the populace are at an all time high. Nearly all of our active members are dues paid.

Due to our cash flow, we have ample rulebooks, corporas, and even beginners' guides available. The beginners' guide will money outside of dues due to printing costs (they have a unit cost of \$4 each).

In closing, I am eager to rejoin the ranks of the populace, even if for three weeks (I'm running for kingdom regent after all). I wish only for the best, and expect to see the barony prosper and flourish under our new park leaders.

*** (also, lots of apologies on the newsletter. I was hoping to have lots and lots of pictures, but it was not to be. My scanner konked out and I haven't been able to get it going *sigh*).

Dues and Financial Report

What else can be said? After paying for the rulebooks, the corporas, and the beginners' guides, we have \$69.80 in the coffers. We are definitely in the red. Hopefully, feast for coronation will augment our coffers. I would personally like to thank the entire populace for their financial contributions. We have a large percentage of our populace dues paid!

Unto the Populace of the Barony of Drakenroc,
I, Sir Flynn Telemon, Send Thee Greetings And
Salutations.

Another reign has passed for our fair people, and yet another starts before us. It is the Summer that lies before us now, and with it, the promise of better weather for battlegames and events. I am honored to have been elected as Baron for the upcoming reign, and am eager to be of service to the Populace.

Over the next six months, I am looking forward to encouraging more battlegames on our fields, as well as continuing to support ditch battles both before, between and after our battefield scenarios. In addition, I shall be hosting a local court every month, to distribute awards and coincide with a special event out at our park. The special events I have planned include:

May 13th, we will be hosting a **Baronial Tournament of the Rose**, including special contests to create an emblem for our land, a flyer that we can use to advertise to increase our membership out at the park, and contribute toward the Persona History of the Barony itself. Yes, the Barony of Drakenroc shall be the unofficial theme for this Tournament. The Monarchy shall bestow prizes upon the overall winners of the competition.

June 10th, I shall host the first of several local semi-regular quests. The **Baron's Quest I: In Search Of The Dragon Stone** will be an adventure steeped in the history of the Barony. Any volunteers who wish to play their full-persona as NPCs in the quest should contact the Baron at least a month in advance for consideration. Great roleplay and successful adventuring shall be rewarded.

July 8th, I am planning to hold the **Drakenroc Festival**, our own mid-reign event. The day's events shall focus about the **Baronial Games**, a series of warskill tournaments to determine the greatest warrior of the

land. In addition to the tournaments, there shall be a hunt (also known as **Baron's Quest II: The Great Hunt**), a bardic challenge and a baronial feast in celebration of the Barony's Festival. Again, I shall recognize the winners of the competitions with prizes, and would like to encourage everyone to participate in the Festival.

July 20th through 23rd, the Burning Lands will be sponsoring **Gathering of the Clans XVIII**, also known as the Clan of the Millenium. It's in a new site this year, but that only leaves us with more room to celebrate.

August 12th, I shall host the **Baron's Quest III: Beyond the Plane Prime**, a series of adventures that starts in Drakenroc, and sweeps through other dimensions and planes beyond, before returning its participants home to Drakenroc. As always, we will happily recognize great roleplay.

September 9th, I will stage the last of this reign's Baron's Quests, **Baron's Quest IV: Field of Screams**, an adventure dealing with the undead within our lands. Prophecies foretell of a time when the dead shall walk the earth again and ravage our land. The Barony must survive! Once more, great roleplay shall earn thee thy bounty in the eyes of the Baron.

All reign long, the Baron will be hosting a **Membership Drive** to increase the numbers of our Populace. At the end of the reign, the member of the Populace who has brought the most newbies to our field during these coming six months shall receive a significant reward. These newbies must have signed in at least four times during the reign, and be new to Amtgard. Good luck, and I'm looking forward to seeing new faces on our fields.

Moreso than anything else, I want to have fun this reign. If you have any suggestions as to what would make Drakenroc a more entertaining experience for you, please feel free to contact me, either via email <flynn1@flash.net> or in person. I was trained to feel that the Monarch's role is to serve the Populace, and I look forward to the challenge. Thank you once more for your vote of confidence.

Respectfully, Yours In Service,
Baron Sir Flynn Lyton Telemon,
Monarch-Elect of Drakenroc

Letter from the new Seneschal

I would like to say first of all I am glad to be seneschal of Drakenroc. I will also, not try, but will keep up with everyone's credits. I would also like to note that Diego you were wrong. You weren't going to be in office forever.

Although I will be enforcing the garb and the whether or not we play full class battlegames rules. I hope though that this will be a fun reign and keep this the richest land in the CK by paying dues.
