

Barony of Tori Mar Quals
January 4th, Pease Park, Austin

The weather was brisk and threatened to blow in a storm at any time, but the Barony of Tori Mar came out in force to select their new baronial officers. Wynde Raynbow placed first in the Arts and Sciences competition, with Vigus Ne'Thrac in a very close second. Diego Velazques and Sir Nightlynx scored consistently in the war tourney to place first and second, respectively, with Corum Mac Connaught placing third.

Although only candidates were required to, many members also elected to take Reeve's and Corpora tests. Everyone who took the exams passed them. Those who took the Reeve's test: Corum, Josephine, Kaderian, Nightlynx, Shanti, Ta'Shi-Iak, Thariand, Vigus, and Wynde. Those who took the Corpora test: Corum, Josephine, Kaderian, Shanti, Vigus, and Wynde.

After calculating the results of the tourney, Vigus qualified for the position of Baron and was elected by acclamation. Corum was then elected to the position of Regent. Sir Nightlynx was offered the position of Baronial Champion which he enthusiastically accepted.

HVZZAH! Baron Vigus
HVZZAH! Regent Corum

FUN THINGS TO DO AT HOME

Check out the "Kingdomality" personality test at <http://www.cmi-lmi.com/enterppp.html>. These are the results some of us have received from taking this test. (Really, we did NOT attempt in any way to force the results to meet our current positions. These ARE our basic personalities.)

Baron Vigus Ne'Thrac's and Regent Corum Mac Connaught's medieval personality type: the Benevolent Ruler — "the idealistic social dreamer. Your overriding goal is to solve the people problems of your world. "

Seneschal Josephine Marci's medieval personality type: the Prime Minister — "a strategist who pursues the most efficient and logical path toward the realization of the goal that you perceive or visualize."

BARONY OF TORI MAR WEEKLY MEETINGS

Battlegames Sundays 1:00 P.M. Pease Park
large clearing at the north end (south of 24th Street)
How to get there: on Parkway Drive, next to Lamar, between
Enfield (15th Street) and Windsor (24th Street)

(If the park is still empty at 3:00 P.M. on Sunday, everyone may have gone to the picnic area at the south end of the park, to a Kingdom event, or to "raid" another park. There should be a note on one of the trees with directions. If not and you really want to "play," go down to the Barony of Tirana at Kendra Page Park in south Austin:

Take MLK to I-35. Get off at the Wm. Cannon exit. Go left on Wm. Cannon, over the highway. Turn right at the light at the back of the H.E.B. onto Bluff Springs. Go down about 1/4 mile and turn left onto Blue Meadow. The park is about 1/4 mile down on the right. They usually start after 3:00 P.M.)

Fighter Practice Wednesdays 8:00 P.M. Shipe Park
How to get there: 45th Street, between Guadalupe and Duval

Weapon Smithing Thursdays 7:00 P.M. (as announced)
(call the Champion or Seneschal for more info)
