

THE GALLOWS

Edition # 1

Amtgard Newsletter for Traitors Gate.

December 2001

As the result of an illegal election Arch-Duke Sir Theodrik Blackflame has wrested power from Duke Brohmir. As a result the following orders have been handed down to the populace of Traitors Gate:

#1 - Get your butts out to the park earlier. Because of daylight savings time we have a shorter day and to get two full battle games and a bunch of ditching in we have to get to the park by at least noon. If flooding occurs McAllister Park closes. The alternate park is Lady Bird Johnson Park on Nachdoches.

#2 - a* I would suggest every one keep and update a copy of their own character sheet and compare them against what local and kingdom records reflect. Be sure to hang on to all awards with a Date and signature on them. Get with Sir Mandigore at the park to check and update your sheet.

b* If you want to vote in Kingdom elections I suggest you pay you dues directly to the Kingdom and get a receipt. :) I will soon be naming the most feared person in the entire realm..... The TAX COLLECTOR!! Basically he will solicit anonymous contributions at the local level to cover Duchy cost and improvements.

#3 - If you get bored of the same old battle games bring your scenario suggestions to our Champion Squire Nocturne and we can try and arrange it for the next week.

#4 - Our Regent Squire Alana is collecting submissions (art, humor, very short stories) for this newsletter "The Gallows" so bring something copy ready, signed and dated to the park to kick in. It will be submitted to the Kingdom newsletter after local distribution.

#5- There is a new Amtgard chapter that plays on Saturdays called Mystic Spring. They meet in San Pedro park across from S.A.C. 3:00 pm. To contact Patrick Ian - BladePIM1@Yahoo.com
