HEAR YE HEAR YE

Well met my co-conspirators

The CK is a very busy place right now and things are happening fast and furious. I will do what I can to keep you all informed of any changes. Our Mid-reign is March 3rd at the park. It will be a informal pot luck feast. \$2 for the meat and a dish for 5 or equivalent feast supplies. Get with the Regent to RSVP and let her know what you can bring. It should go

Battle game, feast, and short court then more battle games. Keep in mind Traitors Gate is a dry park; if the ranger sees you with a alcoholic beverage you could get a ticket. Two if its in a glass container ☹.

Feel free to approach me with anything related to Traitors Gate. Your input is essential for the Duchy to reflect the populace.

The Duke A-#1

Greetings I am Squire Alana Regent of Traitors Gate. I want to let you all know that I am interested in seeing the A&S projects you might be working on. In particular we need some TG park banners. I know for a fact we have quite a few Arts and Science powerhouses amongst us. I don't need to tell you that there are awards to get and people to teach in this aspect of Amtgard. Please show us what you have to offer and help bring the DREAM to life.

Regent Squire Alana

From the Chancellor

Thank you everyone who have filled out new waivers. If you have not filled out one please get with me. Each and every Traitor needs to get with me at the park to update their character sheet before Mid-reign. Use the upcoming events as a chance to pay your Kingdom dues so you can vote in upcoming elections for Prime Minister and the Capora thingy.

In service Sir Mandigore

Greetings. My name is Squire Nocturne Lightning-Shadow, Champion of Traitor's Gate. My duties include organizing battle-games, checking weapons for safety, resolving conflicts, keeping the lost&found and first aid kit, and generally keeping the peace. The following are ways each of you can help keep our park safe and fun for everyone:

1. Keep your weapons and the weapons of fellow Amtgarders safe and legal.
 - a. See an Amtgard rulebook for proper specs.
 - b. If you feel someone is using an illegal weapon, bring it first to his or her attention, then to my attention if necessary.
2. Help me keep our battle-games fun and varied.
 - a. Give me feedback on the battle-games we play.
 - b. Provide me with suggestions for future battle-games.
3. Let's make sure our own quests for fun don't hinder others from enjoying their experience.
 - a. Call your shots on your honor. (No sloughing!)
 - b. If you believe someone else didn't call their shot properly, bring it to their attention in the form of a question. The final decision is theirs when no Reeve is present. There is no need to insult someone by directly questioning his or her honor.
 - c. If someone is being excessively rough or disorderly, bring it to my attention. I will deal with it.

Thanks for your understanding and cooperation. Have fun, and slay on!

-Squire Nocturne Lightning-Shadow
