Crown of the Emerald Hills

Coronation XXXV June 17-19 2005

A few words from our new King!

Unto the Senators and Citizens of the Republic of the Emerald Hills,

The consulship of Elder and Clio will be an exciting and active time for our fledgling Republic. In July, we would like to see as many of our denizens at the Gathering of the Clans as possible and to that end, will be chartering transportation upon which citizens can purchase passage. Throughout the coming months we will bring bread and circuses to all the parks in our Republic, visiting each to encourage communication between the parks and with the Republic. Our visits will coincide with gladiatorial games and feasting. Please join us for the merriment throughout our term in office.

Sincerely,
Senior Consul
Republic of the Emerald Hills

A few words from our new Regent!

"Dear Emerald Hills,

I would like to see more models than critics, i.e. set a good example for others, show them the right way to do something before complaining that they are doing it incorrectly.

Thank you,
Consul Clio

6. Shall descend from this office if he/she misses more than four weeks in a row or twelve weeks total

• Exception - special situations will be taken into consideration by populace vote
Subgroup Prime Ministers must assist the Kingdom Prime Minister in their consolidation of records and attendance of active members. Toward that end they must submit their park records to ORK at least once per month and provide copies of their sign-in sheets to the Kingdom PM at each Coronation and Midreign.

Add Treasurer as follows:

D. Treasurer (TR)

 - Shall be responsible for maintaining an inventory of group assets. Within 4 (four) weeks of each Coronation, the Treasurer shall verify the status of the Assets with the new Monarch and facilitate transfer of responsibility over the group Assets from the previous Monarch to the next. The list/status of group Assets shall be published in conjunction with each Midreign treasury report
5. Could receive the title of Baron/Baroness at the end of his/her term
6. Shall descend from this office if he/she misses more than four weeks in a row or twelve weeks total
 - Exception - special situations will be taken into consideration by populace vote

Modify Item III (RGK) Section A subsection 4 to read “One seat is filled by the Kingdom Treasurer”

Modify Item III (RGK) Section C subsection 1 to read “The Kingdom Treasurer shall maintain a bank account for RGK funds”

Other modifications would include updating wording throughout the Corpora to fall in line with the above changes (Awards, replacing PM with Treasurer in certain wording etc.).

PASSED- Yes – 24, No – 0, Abstain – 1

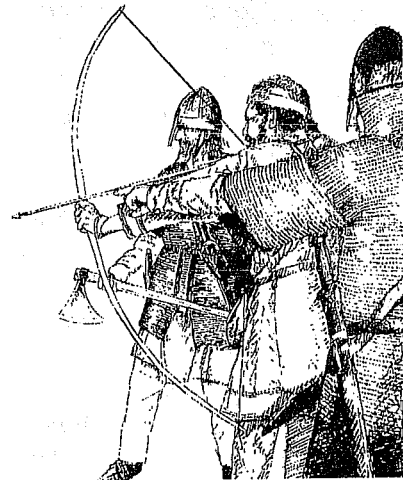

Note from the PM

Thank you so much to all the park PMs. Every park had their votes in on time- 72 voters! Everyone has been so helpful and done a tremendous job on getting records entered.

On a sad note, we had to say goodbye to Selka and Zen Mosh this June. They are now enjoying the beautiful scenery of Seattle, WA with Mas. We wish them the best of luck and thank you for your contributions to Amtgard, the dream.

In service,

Reine Von Doom
