Word from the Monarch

To the people of Amtgard,

Ok, I've been reading all of Lukor's posts to the Blackspire List and others about the situation at last years Banner Wars. Talk like this is the kind of crap that is making Amtgard less desirable for everyone.

I know nothing of the cause of the altercation but the net results were that both parties have been banned from EH events at Tanglewood Forest for one year. Police reports were not taken at the time but after the fact both parties filed assault charges on each other. Charges were never filed by the prosecutor because they concluded it was "mutual combat" and there was no evidence, or witness, to the contrary. Also, the BOD contacted Navarro County repeatedly to find out the status of the criminal case. Navarro County after interviewing everyone, just like the EH, determined that it appeared to be a "mutual combat" situation so both were not punished. Had Navarro County found that one person was actually at fault more than the other, enough to file charges, or accepted the cases on both...the BOD would have acted differently.

Lukor has stated in some of his posts that this type of altercation has only happened at Banner Wars! Well, I can tell you that since I have been involved with Amtgard (since 1986) there have been a stabbing at Clan, attempted assaults of women at Clan, physical violence several times at clan (where the aggressor was only confined to his camp for one night on one of these occasions), threats of physical violence at Spring War, assaults of women at Spring War, and probably other incidents I have forgotten about. This shows that it isn't only at Banner Wars that there have been problems.

This doesn't absolve the EH of its responsibilities to curtail incidents on their lands. Since the altercation last year a "No Tolerance" policy http://www.amtgard-eh.com/library/EH_Zero_Tolerance_12.9.06.htm was written by the BOD has been adopted and instituted by the Emerald Hills.

As standing monarch of the Emerald Hills and Autocrat at this years Banner Wars I can promise you that there will no favoritism what-so-ever when it comes to policing aggressors and transgressors alike. It doesn't matter who or what you are...company bro, Royalty, or even my wife. I will throw you off the site!!! I don't worry about tarnishing my reputation for anyone!

So everyone is welcome and encouraged to show up to this years Banner Wars. Your safety will be at the forefront of the event.

PLEASE CROSS POST THIS TO THE VARIOUS LISTS.

Sir Trinity Skythesis
