# What is Amtgard?

## WHAT DOES IT TAKE TO BE IN AMTGARD?

The minimum requirement to play is to be older than 14 years of age, to fill out an information sheet and waiver (<http://www.amtgard-eh.com/library.html>) and if under the age of 18 have a parent or legal guardians legal consent. It is also encouraged to get a copy of the rulebook, have a medieval costume, and create a history for yourself in the game.

## WHERE IS AMTGARD?

Amtgard is an international organization. Amtgard gatherings can be found throughout the United States and in many foreign countries.

EH based parks can be found in:

Arlington | Denton  
Garland | Wichita Falls  
Oklahoma and beyond!

Additional information on where Amtgard is played under the banner of the Emerald Hills can be found on our Parks page at <http://www.amtgard-eh.com>

The staple of Amtgard gaming is normally in local city parks. However, several times a year we invent excuses (Coronation, Midreign, World Banner Wars!, etc) for weekend-long camping events. On those occasions members of the Emerald Hills groups gather at the Tanglewood Forest event site in Corsicana.

## WHEN IS AMTGARD?

Within the game, Amtgard is based in medieval elements from before 1650 (pre-gunpowder weapons). In order play the game, you need to have some spare weekend time. Members of Amtgard meet on Saturdays and Sundays in parks around the Metroplex. The day of play

depends on the park. Members typically begin gathering at a park between 1 and 2 p.m. For a first visit, arriving closer to 3 p.m. ensures enough players in attendance to get a "fuller feel" for the nature of game without too much waiting around. Because Amtgardians often travel to periodic gatherings, it is recommended that new players attempt to contact an active park member before attending for the first time. At the very least check out the event schedule/calendar beforehand.

Some Amtgardians also gather during the week to practice their fighting skills.

## HOW LONG HAS AMTGARD BEEN AROUND?

Amtgard was founded in 1983 and has since spread throughout the world. The Dallas group was the second Kingdom of Amtgard and has been around since 1988.
